

# About Hauser Jones & Sas

## LOCAL

Hauser Jones & Sas is proudly headquartered in beautiful Bellevue, Washington. This location combines with our second office in Puyallup—capping the northern and southern ends of Puget Sound’s thriving East Side—making us uniquely available to serve clients throughout Pierce County.

Typically, we serve our clients face to face, rounding out their teams or providing support from our home offices. And when we are needed in person, our accountants, CPAs, and support staff are ready to hop on I-5 or I-90 to meet clients from anywhere in Pierce County or surrounding cities.

## HERE FOR YOU

Hauser Jones & Sas is not a giant national firm and we intend to stay that way. When you need to reach us, we’re here—directly—by phone, text, email, or in person. The quality of our firm is rooted in close working relationships, industry connections, support, and value-added results.

## CONSULTATIVE APPROACH

We understand that accounting and taxes can be daunting. The rules change all the time, and it can create anxiety if you aren’t sure you are completing everything correctly. That is where Hauser Jones & Sas comes in.

We know the rules. More than that—we have a deep understanding of the rules, which allows us to reduce our client’s tax and accounting fears, so they can do what they do best—run their business.
